

Celebrating Cats in Culture Across the Ages

The Center for Cats proudly presents the latest exhibition: Cats in Culture. Learn how cats have left their pawprints and influence in Art, Agriculture, Architecture, Religion, Geography, and Travel. Meet famous cat lovers such as Mark Twain, Abraham Lincoln, and Audrey Hepburn, and famous ancient cats, like Bastet from ancient Egypt, and the internet's Nyan Cat. If you like cats, you'll love this special show.

"When a man loves cats, I am his friend and comrade, without further introduction."
— Mark Twain
